

North Carolina Outward Bound

May 17, 2010

Dear Ellen Svitek,

On behalf of the students and staff of North Carolina Outward Bound, thank you for your gift of \$17,675 to our Philadelphia Scholarship Fund. The world would be a much better place if there were more people like you!

With the help of friends like you, our Philadelphia Scholarship enables students from Community Academy to experience the power of a North Carolina Outward Bound course. These students have the opportunity to clarify their personal values and goals and challenge themselves in new and exciting ways. They will remember the beauty and wonder of the outdoors, creating new friendships with people who come from diverse backgrounds, feeling the sense of accomplishment from going beyond their perceived limits, the value of providing service to others, and the appreciation from the simplicity of life. We are as excited as the Community Academy students are about their courses this summer.

We appreciate your friendship and support that inspires many promising students to discover their potential. In the words of this sixteen-year old CAP student, Amber Buck:

I've become a stronger person inside and out. Physically, I'm more self-reliant and capable of doing and pushing myself to things I never knew I could do. I've learned to live off only the essential things in life. I would never have been capable of doing this without the help of your kindness.

With much gratitude,

Whitney H. Montgomery
Executive Director

*Dear Ellen & Frank,
Thank you so much for continuing
to honor Kate through providing
life transforming experiences to
students at CAP. Your work inspires
me regularly. Hope to see you this
fall. Be well.*
