Dear Mr. Svitek,

On behalf of Camp Attaway, we would like to thank you for your generous contribution. As we plan for our sixteenth season of Camp, it's very comforting to have substantial funds in hand so that we may turn our attention to planning for the nature program and the children.

Our goal is to assure the long-term presence of Camp Attaway as an important resource and partner in the Howard County community. Camp Attaway, Howard County Department of Recreation and Parks, the Kate Svitek Memorial Foundation and other contributors are demonstrating how a collaborative effort can make a difference in the social and emotional development of children.

We will keep in contact with you and share how your support of Camp Attaway's nature program does make a difference!

Thank you again for sharing the vision of Camp Attaway.

Sincerely,
