Dear Frank and Ellen:

I want to express my appreciation for the generosity of the Foundation for all of the scholarships that were provided for our students. Your generosity will make an immediate difference in the lives of the scholars. They appreciate all of the work that was put into the accommodations, flights, meals, and more. This will be a memorable experience the scholars should remember all of their lives.

We will make sure that you receive the thank you letters about their experience there and any pictures that they have taken during their Outward Bound experience.

Sincerely Yours,
