Dear Mr. and Mrs. Svitek,

On behalf of myself and the staff at Robbins Park, we greatly appreciate the generous donations of \$1000.00 from the Kate Svitek Memorial Foundation.

We are very excited to use the funds for any of the following considerations: a rain barrel with water conservation education, renovation of a formal garden into a native meadow area, a green roof, and additional education signage in the park. We are also investigating how to provide habitat for blue birds and swallows. This would reduce mosquito population at the park.

We are also looking in the option of planting more native shade trees along the banks of Rose Valley Creek. This is a natural way to aid in stream bank restoration, minimize erosion and repair any damages from the route 309 construction.

We greatly value your continued support through the years.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Fantini". The signature is fluid and elegant, with a prominent loop at the end of the last name.

Lisa Fantini
Director of Robbins Park
