Dear Ellen and Frank,

Your contribution last year of \$5000 on 1/25/07 played an important role in the success of the NOLS Annual Fund and the school as a whole.

NOLS is driven by a mission *to be the leading source and teacher of wilderness skills and leadership that serve people and the environment*. Each of the initiatives that you support through the NOLS Annual Fund brings us closer to accomplishing that mission.

Over the past year the NOLS Annual Fund has helped kick start a green initiative at the school, pushed our diversity program to new heights, and put hundreds of scholarship students on courses all over the world.

Each of these achievements was made possible through the dedicated support of our alumni, parents, and friends. Please join our community of donors again this year and continue your support for NOLS.

Thank you,

Epsie Nolan
Annual Fund Manager

We are so grateful
for your generous
support of NOLS. Thanks
for your consideration!
