Dear Mr. and Mrs. Svitek,

I wanted to send this quick note along with the students' letters to you expressing our gratitude for everything you have done for our students. We are well aware that your generosity has allowed many more of our students the opportunity to experience the North Carolina Outward Bound School than may otherwise been permitted.

Another reason for the note is that I have many of the students' photos, CD-ROMs, and cameras and they're ready for you. As you may know, Allie O'Brien is out on maternity leave. As a result, I will have the pictures available to you in a short period of time. If you have any questions or concerns, please do not hesitate to contact me through school.

Thank you very much again,

A handwritten signature in black ink, appearing to read "Anthony Richichi". The signature is stylized with a large initial "A" and a long horizontal stroke.
